# ELIEZA ANNE M. GUIDO

## Profile

Motivated and detail-oriented Computer Science graduate with a major in Intelligent Systems. Skilled in programming, data analysis, and automation tools such as Make.com. I bring a creative and adaptive mindset, combined with a strong desire to learn and grow in the tech industry. Experienced in both research and real-world logistics operations, I can handle challenges in fast-paced environments. Eager to contribute value to a dynamic team, improve processes through technology, and deliver results that align with organizational goals.
